LETTER FROM THE CHAIRMAN

Dear Brothers,

It is my honor to present the 2017-18 Annual Report on behalf of the Alpha Kappa Psi Foundation. This document is a testament to the dedication of our donors and the impact we are capable of igniting.

Over the past year we have increased scholarships, endowed chapter designated funds, and recognized record levels of giving. Thank you to those who supported our efforts and continue to do so year after year.

The accomplishments we have made as an organization wouldn't have been possible without the help and effort of so many dedicated donors, volunteers, and staff members.

To our donors – your support, past and present, makes a lasting impact on the lives of our student brothers, now and beyond graduation. Without your support, we simply could not provide the same level of scholarships or funding for educational programs, which are so important to our students. I personally want to say thank you. Your generosity is greatly appreciated.

To our volunteers – whether at the chapter, regional, Management team or Board level, the efforts to move the organization forward are changing the way we develop future leaders. It is all of our efforts, both in time and treasure, that make a lasting impression.

To the Heritage Center Staff - thank you for making Alpha Kappa Psi's top-notch programs we so often write about a reality. Those programs and your efforts are truly making a difference in the lives of our future business leaders and continue to be worthy of foundation support.

To my brothers - on behalf of the students who benefitted this past year and will continue to benefit in the future, thank you.

Together we are building a stronger base for future leaders and fulfilling the vision of our fraternity so that we can continue to say: Alpha Kappa Psi is recognized as the premier developer of principled business leaders.

In U-- and I--

He held several fraternal positions over the decades, including district director in the Eastcentral Region and national vice president (1993-97). More than once he held the office of president of the Motor City Alumni Chapter, and for many years, he served as the chapter's director of public relations. A long-time Convention attendee and participant, Bob's first Convention was in 1971 (Las Vegas), and most recently he attended the 2015 Convention in Norfolk.

In 2005, Bob became the fraternity's 42nd member to receive the Gold Distinguished Service Award, Alpha Kappa Psi's highest honor. He is also one of only a handful of individuals who are recipients of all three degrees of the Silver Distinguished Service Award (1967, 1985, 1991).

Bob is survived by his wife Mary, two nephews, a niece, and four step-children.
